

LOGIC
Forest Solutions Ltd

Environmental Planner

Location: Gisborne

Position: Full-Time

Are you passionate about environmental sustainability and ready to make a real impact? Do you thrive on managing projects that balance environmental stewardship with operational excellence? If you're driven, resourceful, and want to be part of a team dedicated to sustainable forestry, Logic Forest Solutions has an exciting opportunity for you.

Who we're looking for:

We're after someone with a passion for environmental planning and a knack for managing complex projects. You'll need strong problem-solving skills, great attention to detail, and the ability to work collaboratively across teams. If you're ready to take charge of environmental compliance, resource consents, and sustainability initiatives while contributing to forestry industry leadership, we want to hear from you.

Key Responsibilities:

- **Environmental Compliance & Policy:** Ensure environmental best practices are followed across all forestry operations.
- **Resource Consents:** Prepare, submit, and manage resource consent applications.
- **FSC Accreditation:** Support FSC accreditation development and processes.
- **Cultural & Heritage Management:** Liaise with Iwi and manage archaeological and heritage site considerations.
- **Environmental Monitoring:** Lead stream health, pest control, and biodiversity monitoring programs.
- **GIS Support:** Assist with GIS mapping and data management.
- **Community Engagement:** Represent Logic at environmental forums and engage with community stakeholders.
- **Project Support:** Assist the Project team with commercial and administrative tasks.

Who we are:

Based in Gisborne, Tairāwhiti, Logic Forest Solutions has been a leader in forest operations for 25 years. We are committed to environmental sustainability, innovation, and quality in all that we do. We are proud to contribute to the land and the people who depend on it.

Why join us?

- **Meaningful Work:** Be part of critical environmental initiatives that shape the future of forestry.
- **Team Culture:** Join a supportive, values-driven team that thrives on collaboration.
- **Career Development:** We provide ongoing training and development to help you grow.
- **Competitive Package:** Enjoy a competitive salary package based on experience.
- **Gisborne Lifestyle:** Enjoy a stunning natural environment with rivers, forests, and beaches at your doorstep.

What you'll bring:

- **Qualifications:** Tertiary qualification in environmental management or relevant experience.
- **Experience:** At least five years in the forest or environmental industry. Proficient with ArcGIS a requirement with GeoMaster experience preferred.
- **Skills:** Strong project management, communication, and problem-solving skills.
- **Values Alignment:** Commitment to honesty, sustainability, quality, and innovation.
