

Senior Harvest Manager

Location: Gisborne

Position: Senior Management Role - Full-Time

Are you fierce about leading safe, efficient, and environmentally sound harvest operations? Do you excel at managing teams, ensuring compliance, and driving operational excellence? Join Logic Forest Solutions as our Senior Harvest Manager and play a key role in shaping the future of sustainable forestry.

Who We're Looking For: This is a senior management position and will form part of the Senior Leadership Team (SLT) within the business. We need a results-driven leader with experience in forest harvest management. You'll be organized, proactive, and skilled at fostering relationships with staff, contractors, clients, and stakeholders. Your expertise in health & safety, environmental compliance, and operational efficiency will help us deliver top-tier forestry services.

Key Responsibilities:

- **Pre Harvest Set Up** – Plan, initiate and set up proposed future harvest operations
- **Staff Management** – Manage operational staff, and work closely with Logic directors and the Senior Leadership Team (SLT).
- **Harvest Management:** Lead multiple harvest projects efficiently, whilst managing H& Safety and environmental compliance.
- **Financial Oversight:** Manage budgets, financial tracking, and cashflow forecasting.
- **Contractor Engagement:** Oversee contractor selection, engagement, and performance management.
- **Health & Safety Leadership:** Ensure “best practice” Health and Safety management and compliance through audits, incident reporting, and investigation.
- **Environmental Stewardship:** Maintain best practices in environmental performance monitoring and reporting.
- **Stakeholder Engagement:** Communicate regularly with clients, landowners, and community groups, and manage Forestry Right agreements.

Why Join Us?

- **Meaningful Impact:** Grow and lead essential forestry projects contributing to environmental sustainability.
- **Career Development:** Access ongoing training, mentorship, and leadership opportunities.
- **Supportive Culture:** Work with a values-driven, collaborative team passionate about what they do.
- **Competitive Package:** Enjoy a competitive salary package based on experience.
- **Stunning Location:** Enjoy Gisborne's breathtaking natural environment with rivers, forests, and beaches.

What You'll Bring:

- **Qualifications:** A degree/diploma or higher in forestry, harvest operations, and or health & safety management.
- **Experience:** At least 5 years in harvest operations or related forestry roles.
- **Skills:** Strong project management, communication, and problem-solving capabilities.
- **Core Values:** Alignment with our values of Honesty, Legacy, Innovation, Quality, and Fun.

About Us: Logic Forest Solutions has been a trusted leader in forest operations for 25 years. We're committed to sustainability, innovation, and excellence in forestry management. We value our team and the land we serve.
